

# Advanced Window Products is Celebrating Our 30th Anniversary!

[advancedwindowsusa.com/advanced-window-products-is-celebrating-our-30th-anniversary](http://advancedwindowsusa.com/advanced-window-products-is-celebrating-our-30th-anniversary)

Founded in 1986, Advanced Window Products has been the number one replacement window company in Utah. Our high-quality vinyl windows have set us apart from the competition, and since we manufacture, install, and warranty all of our products in-house, we can pass the savings on to you! To celebrate our 30 years in business, we're increasing the savings on one of our most popular deals: **Normally, you save \$1,200 on a purchase of ten or more windows, but we've increased that savings to \$1,500.** These savings aren't going to last forever, so contact us today to find out just how much you can save by replacing your home windows.

## Locally Owned and Operated

We are a **family-owned and operated** business, and pride ourselves on being your single point of contact for the entire process of replacing your windows; from the estimate to end result. Our [EarthWise](#) products not only fulfill the government Energy Star standards, but they're also manufactured here in Utah and have been tested to **help keep your home better insulated in both winter and summer temperatures.** As a proud member of [Local First Utah](#), we strive to fulfill the mission of recognizing "the value and vitality of locally owned, independent businesses and our economy."

## Charitable Work

- **Make-A-Wish Foundation:** We are happy to be a regular sponsor of the Make-A-Wish Program, which helped grant the wishes of over 170 children in Utah in 2015. A portion of every sale goes towards helping to turn wishes into reality.
- **Zenith International Charity:** Our partnership with the Zenith International Charity in 2014 allowed us to help bring clean water to the people of Ghana. Donations contributed to the building and maintenance of a water well in the city of Ekorso, helping the citizens there not only have access to clean drinking water, but also take the steps to lift themselves out of poverty.
- **Habitat for Humanity:** Responsible for helping nearly 1.8 million people worldwide in 2015, Habitat For Humanity is a great organization we're proud to partner with. Donations and support from local contributions helped 110 Utah families move into new homes in 2015.

## Replacement Windows Utah

On top of our 30<sup>th</sup> Anniversary savings, **we offer 0% Financing for 60 months**, no upfront fees, convenient monthly payments, and lines of credit up to \$55,000. Coupled with [Energy Star Tax Rebates](#) and [lower energy bills](#), replacement windows also add to the overall value of your home. Maintaining a consistent temperature year-round

also puts less unnecessary wear-and-tear on your heating and air-conditioning units. We also offer [energy-efficient sliding glass pet doors](#), which can either be installed directly into an existing door, or replaced with our certified energy efficient glass. Either option is designed with both security and convenience in mind, without obstructing your view. All of our products include a lifetime warranty, and since it's directly from us, you'll never have to deal with a middle-man. [Contact us here](#), or call 801-438-3515 for a free bid. With Advanced Window Products, you'll love what you see!
